I understand that the Libby team will still be in Leadville 8/25 when the FR notice is scheduled to be published. I will be relying on you to check with me on Thursday morning to make sure the FR notice was published and then call or email the following people with the information that the comment period has begun, where to access the document, and ask them if they want cd or hard copy of the document. Here are the people that will need to be notified:

Libby City Council/Mayor - (Doug Roll, Bill Bischoff, Robin Benson), Barbara Desch, Vicky Lawrence, DC Orr, Peggy Williams) - May be able to contact mayor and chair of council instead of all city council members

Troy City Council/Mayor (Phil Fisher, Gary Rose, Francis McCully, John Clogston) same as Libby city council

County Commissioners - (Tony Berget, Ron Downey, Marianne Roose)

CARD Clinic (Dr. Black)  
HCI (Bill Patton)  
County Health Dept, -( Kathi Hooper)  
Chamber of Commerce (Dusty Thompson)  
Community College (Pat Pazelle)  
Schools (Kirby Maki)  
TAG (Mike Noble)  
CAG (Mike Giesey)

Jim will contact Governor, Richard Oper, Congressionals and Kalispell staffers.

Libby will notify Linda to publish news release and PSA, of location of the notice in FR so that copies can be made in the information center. Still trying to get a .pdf of the document so we can start reproducing it.

Rich will release the news release. We need a Matt Allen will be the media contact but he will need to have access to someone who can speak knowledgeably about the toxicity assessment on Thursday 8/25 and Friday, 8/26. I'll be around Thursday but not on Friday.
